**Clean Energy Collective (CEC) Solar #1056 LLC (Applicant)
Robert & Karen Kell (Owner)**

Decision of the Grafton Planning Board (hereinafter the Board) on the petition of the Clean Energy Collective (CEC) Solar #1056, LLC, 146 West Boylston Street, Worcester, MA 01606 (hereinafter the APPLICANT), for Modification of Special Permit (SP 2015-13) and Site Plan regarding the construction of a solar electric generating facility on property located at 207 Providence Road, Grafton MA and shown on Grafton Assessor's Map 99, Lot 10 (portion) and owned by the Robert & Karen Kell, 207 Providence Road, Grafton, MA, Grafton, MA 01519 (hereinafter the OWNER) by deed recorded in the Worcester District Registry of Deeds in Book 9564, Page 221. Special Permit (SP 2015-13) & Site Plan Approval was recorded at the Worcester District Registry of Deeds on February 3, 2016 - Book 54902, Page 302.

I. BACKGROUND

The above referenced application for Modification of Special Permit (SP 2015-13) & Site Plan Approval (hereinafter APPLICATION) was submitted on June 15, 2016. Notice of the public hearing and the subject matter thereof was published in the Grafton News on June 23, and June 30, 2016, and posted with the Town Clerk's Office. Abutters were notified by First Class Mail. The public hearing on the Application was opened on July 11, 2016. During the public hearing, all those wishing to speak to the petition were heard. Following public input the hearing was closed on July 11, 2016.

The following Board members were present throughout the public hearing: Chairman Michael Scully, Vice Chairman Robert Hassinger, Clerk David Robbins, Members Linda Hassinger and Tracy Lovvorn, and Associate Member Sharon Carroll-Tidman. At the hearing Greg Carey of Clean Energy Collective presented the Application.

II. SUBMITTALS

The following items were submitted to the Board for its consideration of this application:

EXHIBIT 1. Application Packet; Special Permit & Site Plan Approval Application Package; prepared by Field Engineering Co., Inc.; dated June 15, 2016; received; includes the following:

- Application for Modification of Special Permit, Signed June 9, 2016; 1 page.

EXHIBIT 2. Public Hearing Notice, stamped by the Town Clerk on June 21, 2016, 1 page.

EXHIBIT 3. Public Hearing Sign In Sheet; July 11, 2016; 1 page.

III. FINDINGS

At their meeting of July 25, 2016 after due consideration of the exhibits submitted and the entire record of proceedings introduced and accepted in this matter, the Grafton Planning Board (motion by Mr. Robbins, seconded by Mrs. Hassinger) voted 5-0 in favor to make the following Findings:

- F1. That during the public hearing Mr. Greg Carey of CEC Solar presented the application on behalf of the Applicant. They are requesting that the Board modify the Special Permit Decision by deleting Condition B3 which states:

The Applicant shall provide the Planning Board with written documentation from National Grid granting the Applicant the necessary permissions to cross their easement area for the purposes of construction and post construction maintenance of the site.

- F2. That during the public hearing the Applicant provided an explanation for the request. The Applicant has been unable to obtain a building permit because they have been unsuccessful in obtaining the documentation required in Condition B3. The property owner, Karen Kell, has submitted a letter to National Grid requesting that the access drive for the solar project be allowed to cross the National Grid easement (see EXHIBIT #1). Mr. Carey provided documentation from his legal counsel which explains why National Grid's permission to use the easement area for the proposed solar project is not required and should not be a condition of approval of the Special Permit (see EXHIBIT #1). Mr. Carey noted that the proposed gravel road through the easement area would not restrict or impede access by National Grid. It was noted that the National Grid has not yet consented to allow access across the easement and that the Property Owner and CEC Solar are continuing to seek permission to install the gravel access road to the site as approved by the Special Permit & Site Plan Approval. Until the issue has been resolved the project cannot move forward.
- F3. The Board acknowledged the information provided by Mr. Carey. It was noted that the removal of the Condition does not resolve the dispute between Applicant, Property Owner and National Grid.
- F4. The Board solicited comments from Town Departments and the public during the public hearing. None were received.

V. DECISION and CONDITIONS

At their meeting of July 25, 2016 after due consideration of the exhibits submitted and the entire record of proceedings introduced and accepted in this matter, the Grafton Planning Board (motion by Mr. Robbins,

seconded by Mrs. Hassinger) voted 5-0 in favor to **GRANT** this Special Permit and Site Plan Approval with the following conditions:

- C1. This approval specifically removes Condition #B3 of Special Permit (SP 2015-13), dated January 11, 2016, and is recorded in the Worcester District Registry of Deeds, Book 54902, Page 302. The following language is to be considered null and void from the DECISION:
- The Applicant shall provide the Planning Board with written documentation from National Grid granting the Applicant the necessary permissions to cross their easement area for the purposes of construction and post construction maintenance of the site.*
- C2. This Modification of Special Permit (SP 2015-13) & Site Plan Approval shall not be construed as an endorsement for or supporting the Applicant and Property Owner's ongoing efforts to resolve the access conflict with National Grid.
- C3. This Modification of Special Permit (SP 2015-13) & Site Plan Approval shall not take effect until the Decision has been recorded at the Worcester District Registry of Deeds (WDRD) and a copy provided to the Planning Board and the Building Department. Said copy will include recording information such as the WDRD Book and Page Number and/or Instrument Number.
- C4. All other conditions and requirements of the Special Permit (SP 2015-13) shall remain in full force and effect.

VI. RECORD OF VOTE

Constituting a majority of the Planning Board, the following members voted 5-0 to **GRANT** the Applicant's request to modify Special Permit (SP 2015-13) to eliminate Condition B.3 from the DECISION based on the information received at the public hearing and the aforementioned findings.
